### Experience

Creative Director

Avocet Communications

Aug 2001 – Present • 16 yrs 1 mo

Since 1980, Avocet has helped our retail, consumer and B2B clients sell to more people, more often, than they thought possible. Everything we do is designed to help you get your fair share of the market. And a little of somebody else's.

We don't go in for marketing jargon and buzzwords. We prefer that old fashion word, sales. Here's a list of the services we offer to increase yours.

#### Marketing

Our approach to marketing is based on that lost art called listening. We listen to you. We listen to your customers. We listen to your competition. Then we apply what we've learned to create a solid strategy.
